## Amazing Animals - Hatching Ducklings Experience

The Reception classes are currently learning about different animals through their topic 'Amazing Animals'.

To further enhance the children's learning around this topic, on **Tuesday 8<sup>th</sup> March, the Reception classes will be receiving a Hatching Duckling Kit!** Upon delivery of the eggs, it takes approximately 2 days for the eggs to hatch. The children will then have ducklings to handle and care for until they are collected on Friday 18<sup>th</sup> March. At the end of the hire period, the ducklings are collected and safely re-homed in a suitable environment.

To cover the costs of this exciting experience, we are requesting a voluntary contribution of **£6 per child**. Please could you make the **payment online via SCOPay by Friday 4<sup>th</sup> March**. However, do also feel free to contact the office in complete confidence if you anticipate any difficulties with the payment so that we can support you with this.

Many thanks

Mrs Sollufi, Mrs Henderson and Mrs Scarborough
