

## School Council Newsletter

### SPRING 2025

As a School Council, we are always thinking of ways to help our community. With Easter on it's way, we decided to think about those that may be a little lonely at this time of year and may like to receive an Easter Card. Stuart Court in Godalming welcomed our offer to make and send Easter cards.

Here are a selection of our beautiful cards.

We received some lovely messages and cards of thanks from the Residents at Stuart Court who said that the cards 'brightened up their day' and 'really cheered them up'.

Thank you from the School Council
